The Poppleton Community Trust

Report of the Trustees

For the period 1 April 2021 to 31 March 2022

The trustees present their report with the financial statements of the charity for the year ended 31 March 2022. The trustees have adopted the provisions of the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102).

OBJECTIVES AND ACTIVITIES

Objectives and Aims

The aim of the charity is to manage and maintain the Poppleton Centre and along with associated sports grounds to provide community resources for the benefit individuals of all ages form the villages of Upper Poppleton and Nether Poppleton as well as the surrounding area. The Trust aims to provide first class community facilities at an affordable cost to local organisations serving the community and to private individuals from the area to support the activities of the Sports Clubs associated with the Trust.

Meetings

The Trustees intentions are to hold Executive Committee meetings on a regular basis every four to six weeks, with all meetings held to an agenda and minuted with sign off of the approved minutes.

During part of the year ended 31 March 2022, working under restrictions related to the Covid 19 pandemic, meetings have been held on a less regular basis than usual and have on occasion comprised of on line meetings, but have been maintained with such regularity required to continue with appropriate governance over the operations of the Trust.

The agenda includes a financial report related to the core centre activity and each subsidiary group provides a report of relevant activities and issues.

The financial performance is measured against a budgetary expectations or forecasts for the centre which is agreed by the Trustees.

Communications

The Trust produces a newsletter, Centrepiece, four times a year which is distributed to all houses in the two villages. It also maintains a web site www.poppletoncentre.org.uk. Again operating under Covid 19 restrictions the newsletter has taken the form of an electronic communication during parts of the year. The success of the electronic version of the news letter has led to this form of distribution being continued after removal of Covid 19 restrictions.

The Trust maintains an electronic mailing list of some 1,200 addresses with whom it communicates E-News on an irregular basis promoting activities within the Centre. This is maintained by an external management company, MailChimp, and conforms strictly to GDPR legislation.

Both the newsletter and the web site provide an excellent insight into the activities and usage of the Centre and of the activities of the Trust as a whole. Poppleton Junior Football Club also maintains its own very informative web site www.poppletonifc.co.uk as does Poppleton Bowls Club www.poppletonbowlsclub.co.uk.

Business Plan and Progress in the period

The Trusts fourth business plan, covering the period 2021 to 2023, was approved by the Trustees at the trust meeting on 6th May 2021.

The fundamental aims of the Trust were identified in the plan set out in 2005 and remain the same which, in summary, are to manage the facilities in such a way that they are available for the whole community to enjoy and to continually improve the facilities offered by both the Centre and subsidiary clubs, for the use of future generations.

The plan also sets out the Trusts aim to effectively manage the finances of the Trust in such a way as to allow proactive development and improvement projects whilst adhering to its reserves policy.

The Poppleton Centre Team

The Centre team consists of a Centre manager and an assistant, both of whom have been with the Trust since 2014 and both of whom live within the villages the Trust serves.

Poppleton Centre activities

The Poppleton Centre continues to be used by a wide variety of organisations and individuals from the Poppleton and wider York area. Activities undertaken include badminton, junior tennis, Aiki Jitsu, mens & ladies keep fit, 5 a side football, Tai Chi, art classes, performing arts, arts appreciation, Poppleton History Society, lace making, Probus, bridge, Tumble Tots, gentle aerobics, walking football, scrabble, walking netball and indoor bowls. The venue is also used for private functions of individuals in the local community including weddings and parties applicable to all age groups.

Following introduction of restrictions relating to the Covid 19 pandemic the centre was required to close and cease all operations for a substantial part of the year to 31 March 2021 and into the year ended 31 March 2022.

As a consequence of the restrictions venue hire in the year was below pre covid levels but in line with expectations and income from fundraising activities was also restricted as events such as the annual bonfire were conducted with lower levels of permitted attendance.

Support to the overall trust both directly to the Centre and also to some of the subsidiary club sections has been available through Covid 19 related support grants which provided an income stream to support the trust during times of lower usual income.

These grants along with community donations and tight cost control have helped the centre and wider trust maintain healthy financial positions at the year end ensuring the trust was able to return to full operation once covid restrictions eased completely during the year.

The Trust are extremely grateful to the centre manager and assistant, and all those who work or volunteer in the Centre to ensure the services provided remain first class and contribute to the

ongoing success of the operations, particularly during the challenges that the Covid 19 pandemic presented from early 2020 and into 2022.

Poppleton Centre improvements

In response to the uncertainty around the Covid 19 pandemic and its significant impact on the operations and financial performance of the centre the management and trustees maintained tight cost control to protect the centre finances undertaking only essential works during the period of restriction. As restrictions began to ease and some level of normal operations returned the management and trustees have again started to assess the requirements for maintenance and development of the centre to ensure first class facilities continue to be offered

In the latter part of the year to 31 March 2021 work was commenced on a new footpath to the centre with £6,300 incurred in that year. Due to delays over grant funding this project was not able to be completed as expected during the year to 31 March 2022 but has since been concluded.

Significant changes since 31 March 2022

Following the restrictions seen since 2020 related to Covid 19 the centre and associated clubs have been able to return to full operation and have been encouraged by the support of the local communities in returning to use the facilities fully.

A number of new organisations who had been displaced during covid from their usual place of hire utilised the centre as operations resumed and due to the levels of service and facilities have remained as new users of the hire facilities. This has provided a further welcome regular income stream to the centre and increased the proportion of hire income coming from community groups further aligning income with the core purpose of the trust.

Fundraising events including the scarecrow and Halloween trails were again able to go ahead and like the annual bonfire were able to proceed with increased numbers providing good levels of income.

During the year to 31 March 2022 the trustees have become aware or progressing local housing development which will increased the population of the area for which the trust serves. As a consequence and in line with the objectives of the trust, the trustees have embarked upon an evaluation process to determine the feasibility of expanding the centre to provide additional facilities to serve an increased demand. Initial consultations have taken place with member clubs, the and the local community and initial plans drawn up for review. Further progression of this project will depend upon the availability of grant funding support.

A new lease with City of York council was entered into in September 2022 for 99 years securing the trust has a stable home for the centre at a minimal rental charge.

Since the end of the year ended 31 March 2022 the trustees have agreed that a change of constitution to move the Trust to a Charitable Incorporated Organisation is appropriate to provide an improved level of governance for the trust and relationship with its trustees. This change is in progress and an application has been made to the Charity Commission during October 2022.

The Subsidiary Club Sections

Poppleton Cricket Club

Poppleton Cricket club was formed in March 2017 at which time it joined the Trust as a member club. Following the inability to develop a cricket pitch on land adjoining the junior football site on Millfield Lane which the project to develop the club has been put on hold for the foreseeable future and funding received from the local council and the trust has been returned. This contribution will be retained by the trust to support the Cricket Club at such time that the development can be recommenced.

Poppleton Junior Football Club

The club continues to be a successful and well managed club with membership of nearly 400, comprising some 25 boys and girls teams in the 5 to 16 years age groups, together with an U19s boys team and a ladies team each having their own coaching units. It has first class facilities including playing surfaces maintained by its award winning groundsman, Jim Ferguson, and a modern Community Sports Pavilion built in 2011.

Not only does it organise its own girls and boys tournaments each year, it hosts a variety of York FA finals, a York schools tournament and a North Riding event. These in themselves are an excellent indication of the quality of the facilities the club offers.

The Community Pavilion, as well as providing excellent facilities at weekends for players, is able to provide additional meeting room facilities during the week for the community. The hiring of this facility has become an important source of income for the club and central to this are two regular hirers of rooms.

Covid 19 also had a significant impact on the functioning of the club with many matches and tournaments being disrupted or cancelled. However as restrictions eased the club has been able to return to fill operation including hosting its annual beer festival in summer 2022, a key fund raiser for the club.

The Poppleton Bowls Club

The club continues to be a well run one with excellent standard of the greens and facilities in the area and it is a venue for county competitions. This section too suffered from Covid restrictions hampering the level of use for the club and impacting membership bjut has also returned to full operation during he year to 31 March 2022.

Poppleton United Football Club

Poppleton United operates from a pitch on the Main Street site and has two teams in the York Minster Engineering Football League. The first team plays in the premier division and the reserve team in the highest reserves league, Reserve A. Both teams continued to consolidate their position in their respective leagues during the year.

As with the other clubs Poppleton Utd was impacted by Covid 19, but has now returned to full operation and fulfilment of it fixtures.

Management Teams within the Trust

Centre Management Team

The Centre management team consists of three or four trustees and the Centre manager. It meets on a regular basis with ongoing informal discussions as required, looking at all aspects of running the centre and any over arching issues regarding the Trust.

During 2021 and 2022 meetings have been less frequent due to Covid 19 restrictions although very regular dialogue has been undertaken as the team manages the impact of the restrictions on the Centre and Trust overall.

Subsidiary Groups

The Poppleton Bowls Club, The Poppleton Junior Football Club, Poppleton United Football Club and Poppleton Cricket Club are subsidiary groups within the Poppleton Community Trust.

Each section manages its own operations through their individual committees and are financially responsible for all the running and maintenance costs involved. They only require financial authority from the Trustees should they need to cover one off expenditure in excess of £1,000. However they are required to provide a report on their activities to the Trustees at each Trust Executive meeting.

FINANCIAL REVIEW

Unrestricted Funds

The overall aim of the charity is to run and maintain the Poppleton Centre and associated sports grounds for the communal benefit of Upper Poppleton and Nether Poppleton and the surrounding areas. Both in the new and previous business plans the two key aims have been to develop the facilities offered whilst striving to maintain a sound level of funds reserves, in line with the reserves policy. The Centre is operated with the intention that day to day operations will be financed through income from room hire, miscellaneous income and donations, with capital and significant maintenance projects being financed through grant and other fund raising activities.

Once again the results for the Centre are encouraging with the finances being supported by grant funding in the light of the significant effects, particularly in the year to 31 March 2021, of the Covid pandemic on hire income and fundraising activities.

The Trust started the year with an outstanding balance on a loan from the Charity Bank Ltd. The loan for £50,000, guaranteed by City of York Council, was taken out in August 2010 and the outstanding balance at 31 March 2021 was £3,000, which was fully repaid by September 2021.

At 31 March 2022 the Trust held cash funds of £149,000, excluding subsidiary clubs. The Trustees are content that this level of reserves now meets the target level set out by the reserves policy although a proportion of these reserves are used in the day to day operation of the Centre. The Trustees maintain the intention to build a level of reserves to be held outside day operating funds of the Centre as trading allows.

Reserves Policy

For some years the Trust has operated a reserves policy which aims to reflect the Charity Commission guidelines, and was recently formalised by the Trustees.

Reserves Policy – June 2017

The Trust needs reserves for the following reasons:

To cover

 Loss of income for whatever reason and sudden large day to day expenditure requirements

- Provide funding for significant maintenance or capital projects
- Provide financial flexibility for to be able to proactively maximise opportunities to improve the facilities offered by the Centre or Wider Trust

The level of reserves required

The overall target level of funds is set at £75,000 consisting of

- £50,000 for the Trust excluding Poppleton Junior Football Club but including Poppleton Bowls Club and Poppleton United Football Club.
- £25,000 for Poppleton Junior Football Club

Both sums are set to approximately represent six months of day to day expenditure.

Investment Policy

Cash will be held in either a current or deposit account. Any change to this will be the subject of review by the Trustees.

Restricted Funds

The Poppleton Bowls Club, Poppleton United Football Club and the Poppleton Cricket Club have satisfactory levels of reserves whilst those of Poppleton Junior Football Club remain below the ideal level as set out in the reserves policy although this is understandable given the operation challenges brought about by the Covid pandemic.

The Millfield Lane site, on which the junior football club operates is owned by the Poppleton Community Trust, with the City of York Council as Custodian Trustee. The Community Sports Pavilion was funded with the help of a £375,000 grant from the Football Foundation and the Football Association. A condition of that grant was that the Football Foundation would take a legal charge on the land at Millfield Lane. The charge was set up in 2011 and has a term of 21 years.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document

The charity is controlled by its governing document, a deed of trust, and constitutes an unincorporated charity. The original Governing Document was sealed on 6 January 1998 and last amended on 5 October 2009. A set of Standing Orders support the Governing Document. These were amended on 12 June 2018 to increase the number of village representatives serving as Trustees from eight to twelve. The previous change to that was actioned on 22 June 2010. The City of York Council operates as the Custodian Trustee.

Organisational Structure

Until 2009 the direct activities of the charity, Poppleton Community Trust, were primarily associated with the community hall, The Poppleton Centre.

The bar and the then sports clubs (Poppleton Bowls Club, Poppleton Junior Football Club, Poppleton Lawn Tennis Club and Poppleton United Football Club) formed the Poppleton Social Club and, whilst an integral part of the working of the Trust, it was a separate body and did not have charitable status.

During 2009 it was resolved by the relevant parties to disband the Poppleton Social Club. In December 2009 the bar activity was transferred to Poppleton Centre Ltd, a newly formed limited company wholly owned by the Trust.

During 2019 the provision of refreshments at the centre previously undertaken by a separate café and bar were combined and outsourced to Expresso Garden Ltd who operate the facility in the trading name of the Poppleton Social.

The Poppleton Bowls Club and Poppleton Junior Football Club became subsidiary clubs within the Trust in December 2009. Poppleton United Football Club joined the Trust in June 2010 and the Poppleton Cricket Club in March 2017. The Poppleton Lawn Tennis Club decided to operate under a licence agreement with the Trust, established in 2010. The Poppleton Lawn Tennis Club is therefore not part of the Charity.

The composition of Trustees is as follows:

Chairperson

Twelve village representatives

Up to two representatives from each of the subsidiary clubs

Up to two co-opted trustees appointed by the Executive Committee

Representatives from the subsidiary clubs may attend meetings as observers without voting rights.

The Trust operates on two sites. The one at Main Street, Upper Poppleton is leased from the City of York Council. The other on Millfield Lane, Nether Poppleton is owned by the Trust. Poppleton Junior Football Club operates from the latter, the Cricket Club uses Manor School facilities and other activities from the Main Street site.

Employees

The Centre employs a centre manager and an assistant working a total of 57.5 hours per week. The permanent staff are supported by volunteers.

Risk Management

The Trustees have a duty to identify and review risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

Independent Examiner's Report to the Trustees of The Poppleton Community Trust

I report on the accounts of the charity, Poppleton Community Trust (Charity number: 523984) for the year ended 31st March 2022 which are set out on pages 10 to 35.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under Section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under Section 145 of the 2011 Act;
- follow the procedures laid down in the general Directions given by the Charity
- state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- which gives me reasonable cause to believe that, in any material respect, the requirements:
- to keep accounting records in accordance with Section 130 of the 2011 Act; and
- to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act have not been met; or
- to which, in my opinion, attention should be drawn in order to enable to proper understanding of the accounts to be reached.

Note 2

Accounting policies

2.1 INCOME

This standard list of accounting policies has been applied by the charity except for those ticked "No" or "N/a". Where a different or additional policy has been adopted then this is detailed in the box below.

Recognition of income

These are included in the Statement of Financial Activities (SoFA) when:

- · the charity becomes entitled to the resources;
- it is more likely than not that the trustees will receive the resources; and
- the monetary value can be measured with sufficient reliability.

Offsetting

Legacies

There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.

Grants and donations

Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).

In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).

Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.

Government grants

Tax reclaims on donations and gifts

Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.

Contractual income and performance related grants

This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.

Donated goods

Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.

The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.

Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.

Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.

Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.

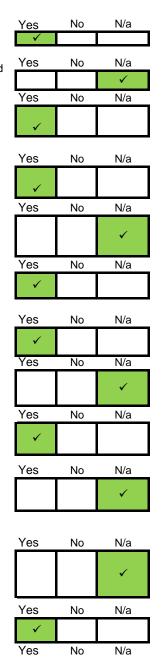

Donated services and facilities

Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.

Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.

Support costs

The charity has incurred expenditure on support costs.
